TAPPING THE

KOMPUTER ENTHUSIASTS OF GREATER SEATTLE

Here we are again rapidly approaching the Christmas season. There are many aspects of this time of year that I enjoy very much; sharing time with family and friends, beautiful Christmas decorations, good food, hearing from friends that we don't communicate with very often, and the joyous, upbeat mood that seems to be more prevalent this time of year. The things I don't enjoy are trying to stay on, or near, my diet, selecting Christmas presents for my wife and answering the frequent question, "What do you want for Christmas, Dad?" I think I'm like most men at my stage of life in that I don't need much that I don't already have and I don't want more "stuff" that I don't really need. I know that makes it very hard for my family members to buy something for me but I have a really hard time coming up with a "wish list" to help my family out this time of year. Anyone else have that problem? Since my primary hobbies are playing with computers, our yard, fine wine and travel, I have almost every gadget or accessory that goes with those areas of interest. Oh well, I'll just keep trying to think of things I "want." Anyway, I really mean it when I say that I hope that you and yours have a fantastic holiday season.

If you are one of the many folks who does some of his/her holiday shopping on Amazon.com, please remember that you can contribute a small percentage of the costs of your purchases to KEGS through the Amazon Smile program. KEGS, as a non-profit organization, qualifies for participation in this program and we have registered to do so. To contribute to KEGS using this program, use your browser to go to smile.amazon.com and then sign in as you normally would to shop at the Amazon site. You will have an opportunity to select a charity to which you can contribute and you will have to use the search function to get to Komputer Enthusiasts of Greater Seattle. Yes, you will have to spell it out. Then you can "select" our organization as your Smile beneficiary and the system is set up. [Smile.amazon.com](http://smile.amazon.com) will remember the organization that you selected and it will remain your selection until you take steps to change it. For future visits to shop at Amazon.com, just remember to log into smile.amazon.com for the contribution function to work. I made it easy by putting the special web site in my Favorites for future use. You could do the same. Remember, using this option does not cost you anything extra as you shop on the web site.

Please remember that the first part of the December General Meeting will be dedicated to our annual election of members to serve on our Board of Directors. We are still looking for members who would be willing to serve on the Board for next year. I encourage each of you to consider volunteering some of your time to help run KEGS. The Board only meets once a month for less than two hours so most jobs on the Board don't take too much of a member's time. If you feel that the organization needs some new ideas and fresh faces on the Board, please volunteer to serve. Just tell any member of the Board that you

are interested and he/she will give your name to the Nominating Committee. The Nominating Committee this year consists of Sally Ann Mowrey, Jon Mercer and me. Thanks for giving it some thought. We need you!

It looks like we will finish out 2015 with fifty members in KEGS. I'd still like to recruit some more folks to join us this year but I also want to remind you that you can renew your membership now, before December 31st, for next year and earn the designation of an Early Bird member. This designation gets you an additional, free drawing ticket each month when you sign in at the General Meetings.

That's it for now. I will miss the General Meeting this month but hope to see you at one of our SIGs. I wish you happy and safe computing! Also, I hope that you have a wonderful holiday season; however you choose to celebrate it.

HISTORY & CONTACT INFO:

KEGS was formed in late 1996 to meet the needs of personal computer users in the Greater Seattle Area. KEGS is a nonprofit organization that holds its general meetings on the second Monday of each month.

In addition, KEGS sponsors a number of special interest groups (SIGs) that meet regularly to share common interests, learn new techniques, and resolve questions about the use of personal computer hardware, accessories, or software.

For a detailed listing of our SIG's, updated information about KEGS activities, and more, please see our web site at:
