KOMPUTER ENTHUSIASTS OF GREATER SEATTLE

Prez Says:

Ron Cowger

I want to thank those of you who have already renewed by paying your dues so quickly. Also, I strongly encourage those of you who have not yet paid your dues for 2018 to do so as soon as you can. We need your membership, enjoy having you as a member and look forward to seeing each of you at future KEGS meetings. You can pay your dues by filling out a renewal Membership Form (found on our website) and giving the completed form and a check for your dues to our Treasurer, Dick Arensberg, or by mailing your check and renewal form to our address as shown on the KEGS website. We really hope that you will renew your membership for another year and look forward to seeing you at future meetings.

I want to bring to your attention that APCUG is presenting another of their periodic Virtual Technology Conferences on February 10th between 10:00 AM and 1:00 PM. These conferences are streamed over the Internet to those folks who have registered ahead of time to view and hear the presentations at the conference. You can get all of the details about registering, what software you will need, etc. on the APCUG website at www.apcug2.org.

If you attend either the CU&O SIG or the SOHO SIG, you probably have heard that Carl Von Papp has announced that he needs a break and will not chair or make presentations at those SIGs on a continuing basis as he has for many years in the past. He plans to attend the SIGs as a member in the future and will occasionally share his vast computer knowledge with us as we discuss various topics at the SIGs. I am certain that you join me in acknowledging how much we all appreciate the tremendous amount of work that Carl has put into those SIGs and the ones that preceded them over the last several decades. He has certainly earned a break and we offer him our best wishes along with our thanks and hope to see him at many SIG meetings, and an occasional General Meeting of his choice, in the future.

Lastly, I want to mention that the folks at NBCC have scheduled the annual maintenance work on the building during the middle of February this year. The only SIG that will be affected will be SOHO SIG which will be cancelled this month. Please check the Calendar on the KEGS website if you have any questions about which SIG meeting that will be unable to meet and which will be meeting normally.

That's about it for this month. Don't forget to buy your spouse or significant other a nice Valentine's Day present if you want to stay out of the "dog house." I wish you happy and safe computing, and I look forward to seeing you at the General Meeting or at one of the several SIGs that KEGS sponsors.
