Welcome to May, when the days get a lot longer, and the days supposedly get warmer and dryer. Since it is still snowing in some parts of the country, we will see how that goes.

Windows 10 19H1 build 1903 April Update will be releasing this month through windows update. Actual day of release is not known yet, but it is coming.

Here are four ways to speed up your computer, per Popular Science. The first three are not a bad idea; the fourth one is at your own risk.

DRIVING INSTRUCTIONS: Thanks to the improvements to SR 520, you may now use the new NE 40th St exit. If you are driving towards Redmond, exit and turn left to go over the overpass. If you are coming from Redmond, exit and turn right. Go to 148th Ave NE, and turn right. In very short order, you will see the North Bellevue Community / Senior Center sign on the left side of the roadway.

HISTORY & CONTACT INFO:

KEGS was formed in late 1996 to meet the needs of personal computer users in the Greater Seattle Area. KEGS is a nonprofit organization that holds its general meetings on the second Monday of each month.

In addition, KEGS sponsors a number of special interest groups (SIGs) that meet regularly to share common interests, learn new techniques, and resolve questions about the use of personal computer hardware, accessories, or software.

For a detailed listing of our SIG's, updated information about KEGS activities, and more, please see our web site at:
