KOMPUTER ENTHUSIASTS OF GREATER SEATTLE

*Prez Says:*

**Gerald Smith**

The North Bellevue Community Center will be closed through the month of April. On April 13th we plan to have the Technology Corner and the General Meeting via Zoom. Members will receive the meeting invitation by email. Several of our members have participated in other group meetings via Zoom; we think you will find this an interesting alternative during this difficult time.

Because our March Meeting was cancelled, our April General Meeting Program will be about the most common problems that a computer repair shop has encountered as well as the solutions for those problems. Have you ever had any of these problems: Spinning circle with black screen, no lights, section of your screen won't light up, network troubleshooter fails, blue screen of death? We hope you will join us to learn the sometimes-easy solutions to these problems.

Since most of our member are sheltering at home, this is a good time to become very acquainted with your computer. Check your favorites and address lists for updating and bad links. Clean your cellphone, tablet, and computer screens with microfiber cloths and safe cleaning solutions. (Not ammonia-based window cleaners.)

Let's be careful out there. Stay safe.

*Gerald Smith — President*

**North Bellevue Community / Senior Center - 4063 148th Ave NE, Bellevue, WA**

**DRIVING INSTRUCTIONS:** Thanks to the improvements to SR 520, you may now use the new NE 40th St exit. If you are driving towards Redmond, exit and turn left to go over the overpass. If you are coming from Redmond, exit and turn right. Go to 148th Ave NE, and turn right. In very short order, you will see the North Bellevue Community / Senior Center sign on the left side of the roadway.

## HISTORY & CONTACT INFO:

KEGS was formed in late 1996 to meet the needs of personal computer users in the Greater Seattle Area. KEGS is a nonprofit organization that holds its general meetings on the second Monday of each month.

In addition, KEGS sponsors a number of special interest groups (SIGs) that meet regularly to share common interests, learn new techniques, and resolve questions about the use of personal computer hardware, accessories, or software.

For a detailed listing of our SIG's, up-dated information about KEGS activities, and more, please see our web site at:
