KOMPUTER ENTHUSIASTS OF GREATER SEATTLE

Prez Says:

Gerald Smith

The North Bellevue Community Center is closed for the entire month of June. Because of the age of the center users, I believe the North Bellevue Community Center will remain closed until community transmission of COVID-19 is under control. Our Monthly General Meeting, the Technology Corner SIG and Digital Imaging SIG meetings will be via Zoom. To earn extra KEGaBuck\$, don't forget to wear your cap, vest, or shirt and your name badge when attending Zoom meetings. We appreciate Steve and Sally Ann learning Zoom and using their technical expertise to make our online meetings possible.

Zoom has allowed some of our members previously unable to attend in person to attend on line. Welcome Ivana, Bill, and Mike.

Because of the COVID-19 restrictions, our annual Auction has been postponed. Your KEGaBuck\$ will be computed as of the end of May and will be available for pickup at our Auction. Please remember to set aside items to be donated to our Auction.

KEGS' member Andy Peck is presenting the program for our June General Meeting: The Internet of Things. How many items do you have in your home connected to the internet? I think you will enjoy Andy's presentation.

There is a significant update to Windows 10 coming and some of your hardware may not be able to support all of its features.

Stay Home and Keep Safe.

Gerald Smith — President

In addition, KEGS sponsors a number of special interest groups (SIGs) that meet regularly to share common interests, learn new techniques, and resolve questions about the use of personal computer hardware, accessories, or software.
