KOMPUTER ENTHUSIASTS OF GREATER SEATTLE

Prez Says:

Gerald Smith

The North Bellevue Community Center is closed through July 31st. Our Technology Corner Special Interest Group, General Meeting, and Digital Imaging Special Interest Group will be via Zoom. We appreciate that Steve and Sally Ann are making our Zoom meetings safer by screening those entering the Waiting Room. More of our distant members are now able to attend meetings. Welcome Lloyd!

What about KEGaBuck\$? You earn KEGaBuck\$ for each meeting you attend via Zoom. To earn extra KEGaBuck\$, don't forget to wear your cap, vest, or shirt and your name badge when attending Zoom meetings.

Our July General Meeting program via Zoom will be "What Will 5G Mean to You" presented by Ron Brown. We hear a lot about 5G today. Please join us at our meeting on July 13th for his informative presentation.

There is a significant update to Windows 10 coming (Version 2004); your hardware may not be able to support all of its features. Some of our members have accelerated this update installation with disastrous results. Some members have updated with no problems. Please wait until the update is ready for your computer and appears automatically.

Stay home and stay safe.

Gerald Smith — President
