Prez Says:

Gerald Smith

Summer weather is here! I hope you are keeping cool. The North Bellevue Community Center will be closed through August 31st because of COVID-19. I expect we will not have meetings at the Center for some time.

KEGS will continue to hold our monthly General Meeting via Zoom. This month KEGS member Andy Peck will present “Windows 10 Privacy”. Join us via Zoom on August 10th for this informative presentation about all the things you may not know about privacy in Windows 10.

KEGS is continuing to hold our Technology Corner Special Interest Group via Zoom. Thank you to Jon Mercer who is temporarily filling in for Steve Fondren. Plan on attending this meeting via Zoom to learn about current news in technology.

Some KEGS members who attend the Digital Imaging Special Interest Group via Zoom are planning to submit images to the digital photo contests being held by APCUG and the Northwest Council of Camera Clubs.

APCUG is hosting a free Virtual Technology Conference via Zoom on August 15th from 10:00 AM to 1:00 PM Pacific Time. For more information, go to <https://www.apcug2.org>.

Stay home and keep safe!
