KOMPUTER ENTHUSIASTS OF GREATER SEATTLE

## *Prez Says:*

**Gerald Smith**

It's almost Halloween! The North Bellevue Community Center is closed through October 31<sup>st</sup>; they may continue to be closed for several months.

Our next Technology Corner and General Monthly Meeting will be on October 12<sup>th</sup> via Zoom. This month's program is "Staying Safe and Secure" presented by Bob Gostischa. Using free programs and apps whenever possible to accomplish this goal is an added bonus and this presentation includes information on many recommended free programs.

We are welcoming members of the Victoria Computer Club who will be attending our meetings via Zoom on October 12<sup>th</sup>. KEGS is a member of APCUG, so our members are able to attend computer club meetings around the United States, Canada, and Australia.

Seven members of the KEGS Digital Imaging Special Interest Group have entered photos in the APCUG 2020 Digital Photo Contest and the 2020 Northwest Council of Camera Clubs Digital Competition. Maybe they will win some awards for their excellent photos.

Hopefully, you have been able to install Windows 10 Version 2004. I successfully installed it on my old core 2 duo computers at the end of August. The next update, Windows 10 Version 2009, will be released this month. It may be best for you to wait until you receive the update notice on your computer.

Thank you to Jon Mercer who has been filling in for Steve Fondren who hopes to again share his technology knowledge with us when we are able to meet again at the North Bellevue Community Center.

Stay home and keep safe.

*Gerald Smith — President*

**North Bellevue Community / Senior Center - 4063 148th Ave NE, Bellevue, WA**

**DRIVING INSTRUCTIONS:** Thanks to the improvements to SR 520, you may now use the new NE 40th St exit. If you are driving towards Redmond, exit and turn left to go over the overpass. If you are coming from Redmond, exit and turn right. Go to 148th Ave NE, and turn right. In very short order, you will see the North Bellevue Community / Senior Center sign on the left side of the roadway.

## HISTORY & CONTACT INFO:

KEGS was formed in late 1996 to meet the needs of personal computer users in the Greater Seattle Area. KEGS is a nonprofit organization that holds its general meetings on the second Monday of each month.

In addition, KEGS sponsors a number of special interest groups (SIGs) that meet regularly to share common interests, learn new techniques, and resolve questions about the use of personal computer hardware, accessories, or software.

For a detailed listing of our SIG's, up-dated information about KEGS activities, and more, please see our web site at:
