TAPPING THE

KOMPUTER ENTHUSIASTS OF GREATER SEATTLE

Prez Says:

Hi Everyone,

My job responsibilities have kept me from my presidential duty of writing these updates, so here we go...

Board Activities, Actions and stuff.

The board has been working through a series of actions items and is making very good progress on clearing those off our checklist. You should now visibly see some of those activities. John Tate with Joe Mraz's assistance have repaired the computer cart at the Kirkland Teen Center. We now also have a new projector for the Teen Center and is available for use during the main meeting and any SIGs that need it. We now have an official address and we have rented mailbox space that the board has access to, for collecting packages and mail for our organization. We needed a way to become less dependent upon board members, who change on an annual basis, for getting all our mail. This will be better from a business perspective. Naturally, if you have any comments, issues, or concerns, please contact any board member or send us an email. Addresses are listed on the KEGS website.

December Elections

Fortunately we don't have to abide by the Washington Election requirements, but we do have to elect a new slate of officers every year. We need to keep new people rotating through these positions since this is the only way we can continue to offer a presentation program, coordinate with the varying agencies that allow us to use their facilities, and sponsor all the SIGs that meet every month. The folks that stand up in front of everyone each month has held some board position at least once and in most cases several times. The time demand for holding a position is not that drastic. At least two hours a month for a board meeting. But the behind the scenes efforts are all up to you. You will notice that many board members are also SIG leaders. This is not required, but just a result of the individuals desire to help out and contribute to the organization. If you want to continue to benefit from the clubs' behind the scene efforts, please consider running for a position. This is a small way for those that sit in the audience to make a difference to help keep the club viable. If you have never volunteered to do anything, now is the time to step up to the plate and take a swing.
