KOMPUTER ENTHUSIASTS OF GREATER SEATTLE

Ah, the Holiday season is indeed upon us. I hope that each of you had a wonderful Thanksgiving holiday including having an opportunity to share the day with family and/or friends. Now it is time to tackle the challenges of preparing for Christmas while enjoying the season at the same time. Decorating the house and purchasing presents for family members are often two time-consuming and difficult chores that sometimes detract some of us from the otherwise wonderful season. Once I finish these chores, I can sit back and enjoy the other, more enjoyable activities. Getting to that point is the tough part. Anyway, I really mean it when I say that I hope that you and yours have a fantastic holiday season.

If you are one of the many folks who does some of his/her holiday shopping on Amazon.com, please remember that you can contribute a small percentage of the costs of your purchases to KEGS through the Amazon Smile program. KEGS, as a non-profit organization, qualifies for participation in this program and we have registered to do so. To contribute to KEGS using this program use your browser to go to smile.amazon.com and then sign in as you normally would to shop on the Amazon site. You will have an opportunity to select a charity to which you can contribute and you will have to use the search function to get to Komputer Enthusiasts of Greater Seattle. Yes, you will have to spell it out. Then you can “select” our organization as your Smile beneficiary and the system is set up. [Smile.amazon.com](https://smile.amazon.com) will remember the organization that you selected and it will remain your selection until you take steps to change it. For future visits to shop at Amazon.com, just remember to log into smile.amazon.com for the contribution function to work. I made it easy by putting the special web site in my Favorites feature of my browser for future use. You could do the same. Remember, using this option does not cost you anything extra as you shop on the web site.

Please remember that the first part of the December General Meeting on December 11th will be dedicated to our annual election of members to serve on our Board of Directors. We are still looking for members who would be willing to serve on the Board for next year. I encourage each of you to consider volunteering some of your time to help run KEGS. The Board only meets once a month for less than two hours so most jobs on the Board don't take too much of a member's time. If you feel that the organization needs some new ideas and fresh faces on the Board, please volunteer to serve. Just tell any member of the Board that you are interested and he/she will give your name to the Nominating Committee. The Nominating Committee this year consists of Sally Ann Mowrey, Gerald Smith and me. Thanks for giving it some thought. We need you and your ideas!

I want to remind you that KEGS caps are still available for purchase. I normally carry a few with me when attending the General Meeting and some of the SIGS. I think the caps look great and are suitable for wear by our members or even as a Christmas gift for a friend. Please think about making a purchase.

It's Early Bird time again. I want to remind you that you can renew your membership now, before December 31st, for next year and earn the designation of an Early Bird member. This designation gets you an additional, free drawing ticket each month when you sign in at the General Meetings.

As I hope you know by now, we have moved our General Meetings from PKCC to the North Bellevue Community Center and the new location seems to be working quite well. There is still ongoing discussion about the room arrangement for the meeting. Some members like sitting at the card tables that are normally in place in Room D. Others feel that we should use a theater arrangement for the chairs as that allows more folks to sit closer to the front of the room where they can both see the slides on the screen and hear the presenters better. Please give your feedback on this topic to any member of the Board so that we can make a good decision on this issue.

That's it for now. I hope to see you soon at the General Meeting or at one of our SIGs. I wish you happy and safe computing! Also, I hope that you have a wonderful holiday season; however you choose to celebrate it.

Ron Cowger — President
