TAPPING THE

K . E . G . S .

KOMPUTER ENTHUSIASTS OF GREATER SEATTLE

Prez Says:

Gerald Smith

Welcome to September sunshine! Washington State is masking up; the North Bellevue Community Center is closed for evening meetings in September. The Delta variant has caused changes in COVID-19 restrictions and delayed many openings. I hope by November we will again be meeting in person at the Center.

This month's program will be "Let's Talk About Email" presented by Dale Harrington. Have you heard that email is dying? Not really. 306.4 billion emails were sent daily in 2020. What is the future of email? Do you remember email etiquette? What is appropriate to send via email? You will be surprised what you will learn about this method of communication many of us use every day. Please join us for this interesting presentation.

We always need more members, so please let others know about the informative Zoom meetings we have monthly and all of the free help we offer.

To keep up with technology visit <https://www.techforsenior.com> to learn about their Monday morning meetings (9:00 AM PT), their Newsletter, and their Facebook page.

KOMPUTER ENTHUSIASTS OF GREATER SEATTLE

Prez Says: Continued

Gerald Smith

Plan to attend an ACPUG workshop or conference online. All KEGS Members are notified via email about these events. If you would like to attend a Zoom meeting of a computer club in another city, go to <https://apcug2.org/group-sharing-meetings/>.

Technology is changing rapidly. Look into Chromebooks, Linux, and Windows 11. Some computers may not be able to run Windows 11. 5G is becoming more available.

Stay safe, be vaccinated and maybe get a booster.

DRIVING INSTRUCTIONS: Thanks to the improvements to SR 520, you may now use the new NE 40th St exit. If you are driving towards Redmond, exit and turn left to go over the overpass. If you are coming from Redmond, exit and turn right. Go to 148th Ave NE, and turn right. In very short order, you will see the North Bellevue Community / Senior Center sign on the left side of the roadway.

HISTORY & CONTACT INFO:

KEGS was formed in late 1996 to meet the needs of personal computer users in the Greater Seattle Area. KEGS is a nonprofit organization that holds its general meetings on the second Monday of each month.

In addition, KEGS sponsors a number of special interest groups (SIGs) that meet regularly to share common interests, learn new techniques, and resolve questions about the use of personal computer hardware, accessories, or software.

For a detailed listing of our SIG's, updated information about KEGS activities, and more, please see our web site at:
