KOMPUTER ENTHUSIASTS OF GREATER SEATTLE

**Gerald Smith**

Welcome to June, the month of Father's Day! We still cannot meet in person at the North Bellevue Community Center, but we are close. We expect to be able to meet in person in July.

On June 13<sup>th</sup>, our General Meeting program will be "Digital Afterlife" presented by Phil Bock via Zoom. With the myriad opportunities that the Internet provides, we are likely to have many online accounts. We are also likely to accumulate lots of documents, photos, music, videos and other digital files on our computers, external drives and cloud storage accounts. What happens to those digital accounts and files if we become incapacitated or die? How do we make our wishes known, and who will carry them out? The Internet also allows us to live on (digitally) after our death, by leaving digital accounts open and available to friends and family and/or by enrolling in services which specialize in communicating posthumously on our behalf. Interested in learning more about our digital afterlife? Phil Bock will take us through an overview and suggest sources we can turn to for more information and assistance. Please join us for this important presentation.

For our Tech Corner on June 13th, remember that you can bring your Android smartphone and tablet questions as well as Apple and Chromebook issues.

We always need more members, so please let others know about the informative Zoom meetings we have monthly and all of the free help we offer.

To keep up with technology visit <https://www.techforsenior.com> to learn about their Monday morning meetings (9:00 AM PT), their Newsletter, and their Facebook page.

Plan to attend an APCUG workshop or conference online. Because KEGS is a member of APCUG, all KEGS members are notified via email about these events. If you would like to attend a Zoom meeting of a computer club in another city, go to <https://apcug2.org/group-sharing-meetings/>.

Don't forget to check your Zoom App to make sure that you are up to date. We have had some members have trouble connecting to meetings with outdated versions of Zoom. The current version of Zoom is 5.10.7.

Stay safe.

**North Bellevue Community / Senior Center - 4063 148th Ave NE, Bellevue, WA**

**DRIVING INSTRUCTIONS:** Thanks to the improvements to SR 520, you may now use the new NE 40th St exit. If you are driving towards Redmond, exit and turn left to go over the overpass. If you are coming from Redmond, exit and turn right. Go to 148th Ave NE, and turn right. In very short order, you will see the North Bellevue Community / Senior Center sign on the left side of the roadway.

## HISTORY & CONTACT INFO:

KEGS was formed in late 1996 to meet the needs of personal computer users in the Greater Seattle Area. KEGS is a nonprofit organization that holds its general meetings on the second Monday of each month.

In addition, KEGS sponsors a number of special interest groups (SIGs) that meet regularly to share common interests, learn new techniques, and resolve questions about the use of personal computer hardware, accessories, or software.

For a detailed listing of our SIG's, updated information about KEGS activities, and more, please see our web site at:
